

BARRY HENSLEY

NorthStar Luxury Homes

General Manager

HomesUSAAlliance

Builder Series Instructor

Barry Hensley is the General Manager of NorthStar Luxury Homes. His primary responsibility in his role is the development of strategic growth initiatives and management of the company's construction and administrative operations.

Hensley identifies and acquires properties for current and future construction projects. He manages the company's sales efforts and is responsible for business development. Hensley has 31 years experience in residential and light commercial construction. He has completed and delivered more than 600 town home units and 300 single family homes. His experience includes both horizontal and vertical construction. Hensley has completed the construction of multiple commercial tenant improvement projects including general office, medical office, and retail facilities.

Hensley is a long-standing member of the Dallas Builders Association, serving on its Board of Directors for the past 8 years. He is a certified instructor with the National Association of Builders and the Texas Real Estate Commission. He regularly engages in teaching Realtors and other construction industry professionals through the Dallas Builders Association, the MetroTex Association of Realtors, the Greater Lewisville Association of Realtors, and the Collin County Association of Realtors.
